Summit Academy

Coach Kristin Heinzerling

We really love how the gym is sectioned off. It gives a more personal touch to our practices. There are many coaches (even those that are not scheduled for us) that help us out and give more individual time. Lastly, each coach seems to see a personal goal for each of the girls.

We love Mills.

Crestwood Varsity Cheer

We are so impressed with the staff at Mills. They are prompt, knowledgeable, and friendly. The gym is well-organized and there are a variety of equipment pieces available that have aided the team in increased strength, flexibility, and stamina. We look forward to working with them in the future!
